How to Create a “One-page” Profile
FREE Workshop for People with Disabilities and Their Families

- Learn how to create a personal profile for your family member using Person-Centered Thinking Principles, and how to apply it in different settings—such as school, medical & provider services
- Learn new strategies for increasing community involvement and connect with other families in your community

Creating a Positive Introduction
Join us for a fun and interactive workshop with National Person-Centered Practices Expert Michael Smull

Each family will create a short personal profile
